HUNGRY HILL

ANNOUNCES SUMMER TOUR OF IRELAND & UK

Coinciding with the release of their new album “**Ride**,” contemporary Canadian bluegrass band Hungry Hill announces its first ever tour of Ireland & the UK this summer.

With a focus on original writing and featuring five seasoned musicians including acclaimed banjo player Ross Nickerson, Hungry Hill creates a fresh sound while staying true to the roots of bluegrass and old-tyme music.

Lush vocal harmonies resonate from singers around one microphone in the traditional acoustic setting of old tyme music.
